# INVITATION

---

**13 November 2024**

We are delighted to invite you to a dynamic three-part webinar series, “**AGReeD - Transforming Research and Innovation in Agriculture**” hosted by leading institutions in the field. The series is brought to you by the University of Agriculture in Krakow (Poland), Sustainable@ Foundation (Netherlands), and EconVitas Public Company (Greece), with each session designed to explore the unique opportunities and challenges within the AGReeD project.

## **What is AGReeD?**

AGReeD is a collaborative project that aims to bridge gaps in research and innovation across Widening countries, empowering local talents and strengthening organisational capacities to drive impactful agricultural solutions. By fostering collaboration between academic and non-academic sectors, the project addresses the uneven distribution of research talent, enhances employability, and builds a robust research ecosystem equipped for global competitiveness.

## **What to Expect from our Webinar Series**

Throughout this series, you'll gain insights from roundtable discussions with experts from across Europe. These webinars will cover:

- **Webinar 1:** Building an Entrepreneurial Research Workforce
- **Webinar 2:** Enhancing Collaboration between Public & Private Sectors
- **Webinar 3:** Policy & Practices for an Equitable Research Ecosystem

## **What You Will Learn**

- How "AGReeD" partners promote skills development for a research workforce ready to lead in innovation.
- Effective strategies for balanced talent circulation and skills retention across regions.
- The importance of structured collaboration to solve societal challenges in agriculture.
- Insights on fostering partnerships that benefit public, private, and policy sectors alike.

## **Series Schedule**

- **Webinar 1:** Wednesday **November 27, 2024**, 16:00pm
- **Webinar 2:** Thursday **February 20, 2025**, 15:00pm
- **Webinar 3:** Thursday **May 29, 2025**, 15:00pm

## **Who Should Attend?**

This series is ideal for researchers, policymakers, academics, industry experts, and all stakeholders involved in advancing agricultural innovation. Whether you are deeply invested in research or simply passionate about sustainable agriculture, you'll find valuable insights to support your work.

**Register Here:** <https://cel.clickmeeting.com/webinar-1-the-green-deal-s-impact-on-eu-agriculture/register>

Join us to be part of the discussion, and help shape a more sustainable and innovative future in agricultural research.
